SERVICING AND RECOVERY

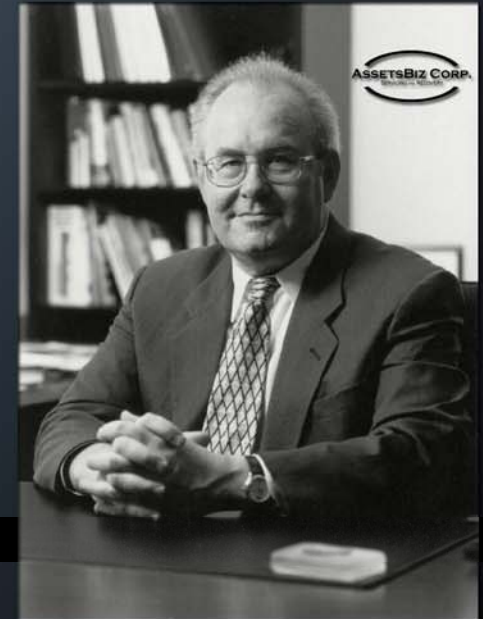

Welcome to AssetsBiz Corp.

In business since August 2000, AssetsBiz Corporation has evolved into a full service provider of recovery services, including skip tracing and recovery. Our post repossession services include transportation, locksmithing and remarketing services through our local auction contacts or the client's preferred network.

### Why should you consider AssetsBiz Corporation for your recovery needs?

- **Management team:** while many recovery companies/forwarders will tell you that they understand your needs and challenges, our team really does! We gained extensive knowledge and experience while employed at prestigious financial firms Mercedes-Benz Credit, Freightliner Financial Services, Toyota Credit, Lexus Financial Services, Ford Credit, GE Capital, Deutsche Bank, US Bank, Security Pacific, debis financial services and First American Bank.
- **Associates:** Our valuable team at AssetsBiz Corp prides themselves in being very customer focused and with an emphasis on exceeding client expectations. Our team members work around the clock to improve recovery times, respond quickly to client needs and delivery results.
- **Technology LPR (License Plate Recognition) Repossession Systems:** We are a leader in this field. We have scanned nearly ten million license plates over the course of the last several years. Our clients are the winners by both increasing recovery rates and recovering vehicles that would have been nearly impossible to find in the past. We also run two proprietary repossession systems congruently that allow us to offer our clients a choice. We are an active RDN and iRepo user which allows us to work on whichever platform our client prefers. Our state of the art systems are available 24 hours a day, 7 days a week for clients to sign in and get the newest information.
- **Equipment:** We deploy a modern fleet of GPS equipped trucks including, self loaders, roll-off flatbeds and heavy duty equipment that allows us to move up to seven vehicles at a time and specialized enclosed equipment for motorcycle and 4-wheeler recoveries. We are prepared to recover any type of collateral anywhere in the United States.
- **Core service area:** Illinois, Wisconsin, Indiana, Iowa and Missouri as well as Louisville, KY and surrounding areas. We also can extend our coverage throughout the United States through our co-op agreements with other prestigious recovery firms.

- Skip Tracing: AssetsBiz Corp is one of the only recovery companies in America that has a full service skip tracing company to support its efforts. SkipSharks is a fully independent skip trace company that provides nationwide skip tracing.
- Associations – Certification: We are members of the ARA, IRA and are CARS certified. We also have a A+ Better Business Bureau rating in Chicago.

The bottom line for you the prospective client is, we have the people, the experience/knowledge, technology, equipment and the abilities to earn and keep your business. Why not try us today?

Thank you for your consideration,
